# NYS Families Membership

## **NYS Family Membership**

NYS has created a Family Membership for families with children under the age of 6. Our goal is to meet the needs of and connect families with younger children in the Greater Newburyport area and to all the resources NYS has to offer.

This membership is open to residents and non-residents. With your \$25 per year (or lifetime) membership, you will have access to:

- NYS programming and event updates, as part of the NYS mailing list
- Early registration for programs for ages 0-5
- Open Gym 2-3 times per week during the winter months
- Free Music Rocks classes
- Playgroup Matching Assistance by age
- Annual Early Education Fair
- Seasonal Family Dance Parties (Open Gym After Dark)
- Seasonal Kid and Family Outings (apple picking, sleigh rides, etc.)\*
- Opportunities to meet other families and form life-long friendships
- Parent Social Events, such as movie nights, exercise classes, and couples mixers\*

\*Additional Fees may apply - fees will be at a member rate

# Keeping Us All Safe

Explore More!

## In all our programs, we:

**Masks** are worn at all times indoors, and when not spread out over 6' apart outdoors

We use **non-contact greeting methods** (i.e. elbows instead of high 5s)

Wash or sanitize hands at the door and have **regular hand washing** reminders

**Disinfect surfaces** like doorknobs, tables, and shared materials regularly

**Increase ventilation** by opening windows and using air purifiers

## Balancing social distance with social needs

We want to make sure we are clear about how we are balancing the physical health and safety with the social emotional needs of your children while they are with us.

- Snack and lunch will be eaten outside or at tables which are more than 6' apart.
- Outdoor play requires masks but children can play freely on the playground- hands are washed on the way out and on the way back in.
- During play or activity time children must wash their hands upon entering before play or an activity.

All families must **complete a pre-screen** and keep children home if there is any question of illness

## Stay home if...

- You are **feeling sick**
- You have a **sick family member** at home

## Taking care of emotional and mental well-being

We know that this year has been especially hard on some children. And we want to help support them by recognizing anxiety, social insecurity and other challenges. please let us know up front if you know your child may need some extra support!

## Pre-K Drums & Music

If your kid can hold the sticks, they're old enough to learn to play drums! Give your little musician a solid musical foundation with ZFDM's Pre-K Drums and Music Class. This class is a ton of fun and gives children the opportunity to play various percussion instruments including hand drums, shakers, woodblocks and maracas. We work together as a group using call and response techniques, introducing the kids to basic rhythm reading. The benefits of this class far exceed rhythm play – students learn how to follow directions, practice their listening skills and enjoy music while working with others.

## Nature for Tots

Lisa Hutchings, or "Miss Lisa" from Mass Audubon's Joppa Flats is coming to lead science and nature programs and walks for youth and their favorite adult! Each 60-minute program may involve live animals, hands-on science activities, or a guided nature walk at some of our special "green spaces" in the area. Our first program will be in the riverside yard of Joppa Flats where we will go on a short guided walk and meet some live creatures from the salt marsh including minnows, crabs, and snails. Each week we will meet at a different location for our next family adventure!

# SYMPTOMS OF DEPRESSION AND ANXIETY IN YOUTH

Fluctuations in mood are normal, but if a person's mood begins to consistently fall outside the typical range, it may be a sign of the bigger issue. If your child experiences this or multiple symptoms from the list below, we encourage you to reach out to your doctor to discuss things further.

## Biological

- Changes in energy level
- Changes in eating or sleeping patterns
- Increased reporting of stomachaches/headaches/illness

## Social/Emotional

- Decreased interest in activities
- Avoiding friends (even virtually)
- Frequent crying, seeking parent proximity or reassurance
- Emotional outbursts
- Feeling worthless, overly self-critical, low self-esteem

## Cognitive

- Constant worry/negative thoughts
- Trouble concentrating/making decisions
- Difficulty completing schoolwork
- Decline in grades

## Behavioral

- Decrease in proper hygiene
- Increased conflict with family/peers
- Self-injury or self-destructive behavior
- Isolating in bedroom

## Little Aces

Little Aces is a great first step into NYS programs for new families, and a favorite of some of our summer regulars.

Designed as an early education program, a week in Little Aces is filled with elements your child will love. This year more than ever, we will focus on social and emotional health and connecting with peers.

The program has a 1:5 ratio, giving lots of personal attention from our amazing teen and adult staff. The day is set up to create a predictable routine filled with circle time, outdoor play, art/ theme activities, games, snack time and free play.

Little Aces runs indoors and out. This program also includes time for free play...Pure unstructured time with peers (where staff take a step back) where creativity and imagination are the boss, and important social skills are developed. Kids are encouraged to work out issues before asking an adult to help. When they do ask for help, Little Aces staff help guide them rather than fix it for them.

*Each week the books, activities and games are based on the theme.*

It offers a playground, sports court, craft area, a field and baseball diamond. NYS Staff are there to plan activities and events and keep the days fun and exciting! This program also includes time for free play...Pure unstructured time with peers (where staff take a step back) where creativity and imagination are the boss.

*Each week includes a water day, a theme day and new this summer we hope to have an entertainer visit each week!*

Clipper is more than a camp, it's a community. Kids grow up at Clipper year after year and we can't wait for your family to join.
