Letter from the Director

A Note from the Director

Hey there, Friends!

We're super excited to share this year's spring and summer activity guide with you — and it looks a little different this time around! We've combined both seasons into one easy-to-navigate guide, and you'll notice that spring programs are highlighted with a fun light color to make them pop.

We've also tidied up the categories to make finding and registering for programs online a breeze. No more hunting around — it's all right there!

But wait, there's more! This year, we're rolling out a few brand new summer programs that we think you're going to love. We can't wait to see them become new favorites for years to come.

Remember- ask your kids to go through the guide! you never know what they may want to try!

So, get ready for a season of fun, adventure, and maybe even a few surprises. We can't wait to see you out there this spring and summer!

Cheers,

Andi Egmont
Director of Youth and Recreation Services

REGISTRATION POLICIES & PROCEDURES:

- Register on-line at <https://newburyportma.myrec.com> or at the office located at City Hall.
- In person registration can be paid for with a check (written to Newburyport Recreation) or cash.
- Returned checks will be charged a fee per City of Newburyport policy.
- Recreation and Youth Services reserves the right to correct or modify program information due to errors, omissions, or changes. Errors can happen in printing so please check our website for the most current information/corrections/changes before registration.
- Fees listed in the brochure are for City of Newburyport Residents and Non-residents. Resident fees are noted as "R".
- Non-resident fees are noted as "NR". Non-residents pay an additional 10% of the program cost (minimum is \$10). This rate may be waived in an effort to increase registration or on one day programs/ events. The department reserves the right to give priority to residents.
- Program deadlines are usually set for 2 weeks prior to the program start. After this date there may be a \$15 late fee applied.
- Late Registrations: Programs will generally not be prorated if registering within the first 2 weeks of the program start date.
- Most Newburyport Rec programs are self-sustaining through user fees, for more information on pricing, see our cost recovery policy on our website.
- Age requirements: Children must be the required age or grade by the start date of the program.
- All participants are required at registration to complete emergency information. This includes medical and behavioral information as well as emergency contacts and a liability waiver. *See Therapeutic Rec Policies for information about special needs.
- Liability: Participants agree to forever release the City of Newburyport from any and all claims from participation in the City's voluntary programs. A complete liability statement is on file at Newburyport Rec.
- Photo Permission: Participants in sponsored activities permit to the taking of photos and videos of themselves and their children for publication both digital and print, as the City deems necessary.

RECREATION POLICIES

Financial Assistance: We would like to make these programs accessible to all of our city's residents. Please contact us if you need financial assistance. Payment plans and scholarships are available.

Behavior standards: The following standards are set to ensure that all participants can have an enjoyable time while participating in the programs and activities listed in this book.

It is unacceptable behavior to use profanity or other inappropriate language; to be disrespectful to program staff and other participants, or show non-compliant behavior; to cause intentional damage or defacing of property; to cause continuous disruptive behavior to classes or programs; or to exhibit any aggressive act (hitting, kicking, biting, etc.) which is initiated or in retaliation. Temporary removal or permanent suspension from the program and/or facilities may result if behavior standards are not maintained.

Special Needs: We are committed to ensuring that our programs are inclusive and accessible to all. We offer a Therapeutic Rec Membership to any individuals with special needs or accommodations. The membership provides us with an opportunity to learn more about what you or your family need in order to enjoy our programs. Please complete the free membership on newburyportma.myrec.com.

Confirmation: Your registration receipt is your confirmation. You will receive a program reminder or "Know Before you Go" email two weeks prior to the start of the program. Department staff may contact you two weeks prior to let you know if the program has not met its minimum or is being cancelled.

Confidentiality: You and your family's forms are confidential and are shared only with program staff. Class rosters are not confidential, often families would like to know if their child will have any friends in the program, for this purpose we do share rosters. When you provide your email to us for registration, it is automatically added to our email mailing list. It is not given out to any other organization.

If you need a payment plan or scholarship (full or partial), please contact Trish Boateng, Support Coordinator before March 12th. She will provide you with a promo code that will allow you to register without payment and not miss a spot.

PROGRAM CANCELLATION POLICY

Withdrawals: Participants withdrawing are asked to give notice at least two weeks prior to program start date. A participant who withdraws at least two weeks prior to the class start date will be given a refund, minus a \$10.00 administration fee. You can transfer to another program for no charge.

Refunds: In the event Newburyport Rec cancels a program, a complete refund will be made.

Location of classes and/or fields is subject to change. This is out of the hands of the City and there will be no refunds for class location changes. Refunds are not given for weather cancellation of less than 25% of the program time and only then if make-ups cannot be offered. Refunds are not given for special events involving ticket purchase or if the department has incurred an expense on your behalf. There are no refunds for missed classes.

Cancellations after the session starts:

If you are unhappy with a program after the first session, please contact us right away to discuss withdrawing and receiving a refund.

A prorated percent of the class fee plus a \$10.00 cancellation fee and any direct program material costs will be refunded unless the program is cancelled by the Recreation Department or a physician's excuse is presented. No refunds will be issued after the 3rd week of the session or halfway through the class, whichever comes first.

Refunds can be credited to your Household account, back to the original credit card, or a check will be issued. Refund checks will be issued approximately within thirty days after notification of cancellation.

Weather Related Cancellations: Programs do not run if Newburyport Public Schools are cancelled. Summer programs may be cancelled due to inclement weather or extreme heat. The City reserves the right to cancel due to dangerous weather. Cancellations are sent via email through the myrec registration program. If possible, make-ups will be offered.

Enrollment Cancellations: Recreation and Youth Services reserves the right to cancel any program due to under-enrollment or unforeseen circumstances.

A Letter from the Mayor

On February 18th, my administration proposed a plan to the City Council that will complete the construction phase of the Newburyport Recreation & Youth Services Center—an initiative that has long been discussed and, after much deliberation, is now ready to move forward. Since 2021, NRYS has operated without a dedicated space to provide the essential services and supports on which so many in our community depend. This has been a challenge for all of us.

As your Mayor, I have made it a priority to work collaboratively with city staff, stakeholders, boards, commissions, and members of our community to craft thoughtful, inclusive solutions to the various challenges we have encountered in designing the rec center project. I am confident that the final design of the facility represents the best value for our community and aligns with the needs of both current and future generations.

For years we have deliberated the details of this project, but I don't want us to lose sight of why this project is essential to our city. We need a Recreation and Youth Services center to provide a safe space for residents to learn, play, and stay active. There is a shortage of space for all residents to participate in affordable wellness and recreational activities. Our young people need age-appropriate space to develop skills, explore their interests, and build confidence, and we need to strengthen avenues to help our neighbors, especially young people, access essential mental health resources.

Now is the time to invest in city assets that deliver affordable services to our residents that help resolve these challenges. NRYS offers youth and adult activities at rates far lower than comparable private services. As many of you know, NRYS offers early childhood programming, after school activities for middle schoolers, community events, and support systems to help our young people and families. This center will provide increased access to gym space, pickleball courts, and recreational activities. By investing in a new space, we will be investing in health and wellness, fostering community engagement and supporting services for our neighbors, generating countless ripples of positive change throughout our community.

Based on the plan I have put to the City Council, we expect the proposed debt exclusion to increase taxes by approximately \$3 per month for the average taxpayer owning a home valued at over \$1 million. In other words, **we have the opportunity to ensure that future generations will benefit from all that a new Recreation and Youth Center has to offer – for \$3 a month.**

You can expect to hear from me, and I'm sure many others, over the coming weeks and months about the positive impact of NRYS on all corners of our community. Let's move forward, together, with the confidence that this is an investment in a brighter, healthier, and more connected future for Newburyport.

Sincerely,

Sean Reardon
Mayor

The Newburyport Recreation & Youth Services Department can't do what they do without superheroes like you!

We are recruiting volunteers & board members. Join us today!

Email us at info@portyouthrecfoundation

We have needs for all commitment levels and skill sets. We have a way for you to get involved!

- Attend community events to build awareness

NBPT REC SUMMER LET GROW CHALLENGE

This summer we challenge you to try something new by yourself each week!

We will have a special challenge sheet for you to complete. If you are at a NBPT Rec program, we will do raffles on Fridays for anyone who did a **Let Grow Challenge** and at the end of the summer- ANYONE who did at least 8 things will get a coupon for a FREE Hodgies Cup Ice cream!

- We all know that kids need some unstructured free time, play time, and a chance to figure things out on their own, because that's how they develop life skills, deep interests and resilience.
- We also know that it's really hard not to jump in to make things easier for them, or give them our great advice, or just take over. (But we get it: When we do that, we're actually denying our kids some powerful learning experiences.)
- As caregivers, we make a commitment to step back! We will allow some frustration and imperfection! We will let the kids be bored long enough to find something to do. We will supply some Band-Aids and try not to freak out!

THIS NEW ATTITUDE will take some pressure off the kids (and us!) and let us see just how much they're capable of. Take The Let Grow Parent Pledge to **STEP BACK SO OUR KIDS STEP UP!**

KID PLEDGE

This coming summer I will, of course, grow older. I would like some more independence, and I know that also means I have to show how responsible I am.

That day by day:

- I will start to do more things on my own, by choosing one new thing a week to try after getting my parents' permission.
- I will not deliberately do anything bad, like hurt someone. And I will not go someplace I'm not allowed.
- I will basically be a good kid, just with some more independence, responsibility, and excitement.

MENTAL HEALTH FIRST AID: HELPING YOUTH AGES 12-17

Thursday, May 1
9:30 AM - 3:30 PM

A training designed for adults who work or interact with youth (i.e., parents, caregivers, teachers, school staff, neighbors) how to effectively identify a mental health crisis and how to communicate with youth about their mental health.

Must be 18+ to attend. Food and drink will be served.
4 CEU's available!

Learn How to:

- ✓ Effectively communicate with youth ages 12 -17 about their mental health
- ✓ Distinguish between crisis and non-crisis mental health and substance use situations

FEE
\$10

LEVELED PLAY COORDINATED BY

CASUAL PLAY

BRESNAHAN COURT
(Outside of Senior Center)
JUNE THROUGH AUGUST
M,W 9am-NOON

FEE
\$25

This program requires registration and is geared towards the **BLUE** and **GREEN** level players. Players will be rotated through on a first come first serve basis and coordinated by Mike Menesale.

- **BLUE** - no experience and needs lessons
- **GREEN** - novice players and those who play at a slower pace. Know the basic rules. May be less mobile around the court.
- **YELLOW** - the majority of recreational players. Enjoy the game, but do not study it. Move well around the court. Shots can still be a little erratic. Serve is under control. May miss fast balls at the NVZ as reaction time needs to improve. Working to reduce unforced errors.
- **ORANGE** - more serious recreational players who study the game. Faster pace with speedy reactions at the NVZ. Increased attention to positioning with partner. Anticipate opponents' position on the court in preparation to return shots. Can play the fast and slow game although resetting/drop shots need work.
- **RED** - the best recreational players who study the game, practice, and perfect the accuracy and range of shots. Great anticipation and positioning. Use spin strategically and not indiscriminately. Can play the fast and slow game, drop shots are under control.

REGISTRATION

AGES 4-6

SUMMER PROGRAM

Little Aces is a great first step into NYS programs for new families, and a favorite of some of our summer regulars. Designed as an early education program, a week in Little Aces is filled with elements your child will love. The day is set up to create a predictable routine filled with circle time, outdoor play, art/ theme activities, games, snack time and free play. Little Aces runs indoors and out. Each week the books, activities and games are based on the theme.

CHILDREN'S MUSIC

Piano at the Bres

Come hang with Mr. R-M at the NBPT Rec after school piano program this Winter! During our sessions students will engage in musical activities and each student will have their own keyboard station for exploring the world of music through the piano! Topics will include reading rhythmic patterns, identifying notes on the treble clef, increasing our music vocabulary and basic piano technique. We will focus each week on a different composer ranging from baroque to pop! Materials (sheet music) will be provided.

NCM Hub

Summer Movie Makers Workshop

Let's make movies! In this two-week workshop, participants will work together in writing, directing, acting and camera work to create a variety of movie projects. These are participant-made projects mentored throughout the weeks with tailored instructions based on their skill level. New and returning movie makers of all skill levels are welcome! This workshop will encourage creativity, experimentation, and collaboration. We work on projects in the studio and in

the field. The PortMedia Studio is located at NCM Hub, 331 High Street, Suite #2 in Newburyport. On the last day of camp, we will gather with friends and family for a premier party to watch our finished movie projects. No prior experience is required. All levels of skill are welcome.

Music Production for Kids

Let's make music! In this one-week workshop, participants will work together to create original music tracks. Participants will be using music creation software like Garage-Band and Logic. No instrumental experience is required. All that is required for this workshop is a passion for music! All skill levels are welcome! The goal of this program is to have fun and play music. If you are already playing a musical instrument or equipment, bring it!

Boston Casting

These classes are brought to you by Boston Casting, Inc. – the largest television and film casting company in New England. Recent projects include 'THE HOLDOVERS', 'AMERICAN FICTION', 'GOOD BURGER 2', 'CODA' (AppleTV+), 'JULIA' (HBO), 'DEXTER: NEW BLOOD' (Showtime) and more. Learn more about us at bostoncasting.com

Kids Acting: Disney Scenes!

Using scripts from their favorite Disney shows, students will perfect their on-camera audition skills and create strong, interesting characters. Class work will target breaking down a script, working with a partner and finding the jokes in the scene. Students are filmed each week and parents will receive the video uploads to watch at home.

Musical Theater Intensive

Aladdin Kids!

Our Musical Theater Intensive provides a vibrant and supportive space for performers eager to grow in a fast-paced, creative environment led by experienced theater professionals and educators.

This summer, actors will have the exciting opportunity to perform Disney's Aladdin, KIDS! Auditions will take place on the first day of camp, and actors will receive their audition materials via email one week in advance. Rest assured, every performer will be cast in a role! Throughout the week, actors will rehearse the show and engage in classes designed to enhance their acting, singing, and dancing skills. By the end of the program, actors will gain valuable insights into the audition and rehearsal processes, as well as the confidence that comes from connecting and collaborating with fellow creative individuals. Join us for an unforgettable summer experience filled with learning, friendship, and performance! *Final performance: Friday, August 8 @ 4:00pm (free admission)

**Aladdin KIDS will be performed with a commitment to cultural sensitivity. We plan to follow industry standards of color-blind casting, ensuring that we are respectful to everyone involved. Costuming will be appropriate to the story, however, we will not use makeup to alter a performer's appearance to represent a different culture, as that would be inappropriate. Thank you for your understanding and support.*

Instructors: Stephanie Phillips (NHS Theater & Dance Director), Risa Annicchiarico (Molin/Nock/NHS Music/Choral Director) & Brittany Shapiro (Acting Coach)

High Tail Acres Horsemanship

What a great opportunity for the youth to experience the workings of a stable with hands on activities including 2 riding lessons, group activities and horse themed projects. The program offered at High Tail Acres, LLC is open to all ability levels, therefore giving the opportunity to the intermediate rider to improve upon their skills and the beginner rider to develop the necessary foundation of basic skills. The counselors at High Tail have all participated in the horsemanship programs at High Tail and are eager to share their own experiences through interaction with the youth. The instructors are MA licensed, with years of teaching experience. Equipment Required: Youth are required to wear an SEI certified helmet. Hard soled shoes or boots (not cowboy boots) with at least a 1/2-inch heel is required footwear.

Nerf Battlegrounds

Come join the Sports Zone Lieutenants as we test our individual and team effectiveness in battle! This awesome program puts a fresh spin on traditional games like capture the flag, while also allowing children to get great exercise, learn some strategic planning skills, and make new friends. Each week will feature different games with individual and team-based challenges, so the students always have something new to strive for. We will also have all sorts of obstacles for the students to interact with, so they never know what to expect! There will be no shortage of fun in this program, and we provide all the necessary supplies, so join the excitement today!

Garden Club at the Bres

Our Instructor/Bresnahan Teacher Katara Harding, has recently started the Bresnahan Community Learning Gardens in the back of the school building! She's very passionate about this project and looks forward to getting kids involved in these gardens and this program is a great way to do so! Katara and the kids will focus on learning about gardening, how to properly water, weed, plant, harvest, etc. This will be an outdoor program with the option to move indoors to her classroom if the weather is inclement.

Robothink STEM Programs

RoboThink is the global leader in STEM education for children. Everyday, RoboThink is positively impacting the lives of children in 23 countries around the world through our exciting STEM learning programs.

Battle Robots

Let's duke it out, RoboThink-style! In this competitive class, students will be building and customizing a variety of different battle robots, then competing in a wide range of different activities. By using gears, motors, axles and our own special hardware, your child will be in for the battle of a lifetime. No experience necessary, just come battle and have fun!

Demolition Robots

It's construction time, RoboThink style! In this program, the students oversee their jobsite and need to build a wide range of construction vehicles to help create their own city. From a dump truck to a wrecking ball, this camp has it all for any young constructor! No prior experience required- come lay some bricks with RoboThink!

Seacoast Technology

For nearly 15 years, Seacoast Technology Workshops has been providing hands-on LEGO Robotics & Engineering and video-game design workshops all over Boston's North Shore and New Hampshire's Seacoast.

Minecraft Game Coder *New*

It's been a longtime coming but Seacoast Technology Workshops is excited to launch our first ever Minecraft workshop!

LEGO® Robotics and Engineering

Using the latest LEGO robotics technology participants will have an opportunity to explore the amazing world of LEGO(R) robotics and engineering.

LEGO® Robotics Masters

Participants will have access to thousands of specialized LEGO bricks including motors, sensors, and so much more! Then, using a laptop and kid-friendly LEGO WeDo 2.0 software, teams will create programs to bring their creations to life!

Video Game Programmer

Stop playing video games and start creating them! In this introductory class participants will learn how to program and create their very own video games.

Lego Robotics Build and Code

This workshop is designed to develop building and programming skills. Participants will work with LEGO WeDo and LEGO Mindstorms to explore and produce a variety of working models.

Buildwave

Want to foster your child's interest in STEM, while igniting their creative spark at the same time? Buildwave is a creative building program that feels like a video game! Over the course of the sessions students create with over 50 different building materials, including Lego®, PlusPlus®, and custom-made Buildwave materials.

Each session of the program is a new "level" of the Buildwave game, with an audiovisual setup featuring animations and music that guide students through the different building waves. As your child creates with wave after wave of new objects, they build creative confidence, become better collaborators, and encounter design and engineering fundamentals in a unique and memorable context.

Clipper Football

Come join your NHS football coaching staff and players for a great experience learning the skills and techniques that make up a complete football player. All youth are welcome to learn and experience all facets of the game in offense, defense, and special teams. Participants will learn techniques in all positions and work on group and team drills that will demonstrate proper technique. On top of this, players will compete in 7 on 7 tag football, learning routes and pass-coverages, along with an assortment of other games that are football related. Youth will also learn the Clippers values instilled in our NHS football players. This clinic is a fundraiser to assist the NHS football program in purchasing equipment for the team.

Clipper Baseball Clinic

The Clipper Baseball Clinic will be designed to teach baseball skills for various age levels alongside people who have been around the game. The program will be run by Coach Ron Jordan. Our goal of the program is to first off, have fun, while teaching kids the fundamentals of playing baseball. During the first portion of each day we will focus on drills, skills, and improvement. Then we'll have fun playing games by the end of each daily session!

All levels welcome. And equipment is available for loan.

Activity	Ages	Grades	Day	Date	Time	Instructor/Coach	Location	Fees

Clipper Girls Basketball

Our focus will be to help players gain confidence and knowledge while teaching the proper fundamentals in a fun atmosphere. Daily emphasis will include: footwork, balance, ball handling, shooting, attacking defender, post play, defensive concepts, boxing out and rebounding, goal setting, positive affirmations, plus other fun activities and games. All aspects of basketball will be covered with daily skills and drills and competitive contests including "Queen of the Court" and "Queen Clipper". Space is limited so don't miss out on a fun basketball program!

Join NHS Varsity Coach Karen Grutchfield and other NHS players and coaches.

Snack Engineering

During this Snack Engineering Program students will explore the science behind their favorite treats while creating unique snacks from scratch. Each week, they'll dive into hands-on activities, such as engineering their own chips, making white chocolate from scratch, and creating homemade vegan gummy bears. From understanding the chemistry of caramelization to experimenting with flavors and textures, this program offers a fun and educational journey into the world of culinary creativity. By the end of the course, students will have crafted a variety of snacks to share with family and friends, gaining valuable knowledge in food science and engineering.

Re Engineering Reeses Cups

During this program students recreate Reese Cups into a new inclusive snack that is nut free. Students will engineer chocolate flavors, create a new filling, make a recipe and develop packaging and labeling. Students end the program with a brand-new snack they created.

Children's Cooking and Baking Classes

Spring Into Savory Foods

These sessions will focus on making recipes that can serve as main dishes that you and your family may enjoy. Recipes we'll cover include: pizzas, hearty soups, pasta dishes, veggie bakes. No prior cooking experience is needed, only a willingness to learn and participate cooperatively with others. Basic cooking techniques, safe food handling and nutrition concepts are conveyed throughout.

Summer Cooking Fun

Come and enjoy the season of fresh veggies and fruits as we dive into preparing recipes such as: super salads, fruit desserts, trail and picnic snacks, and stuffed pockets. No prior cooking experience is needed, only a willingness to learn and participate cooperatively with others. Basic cooking techniques, safe food handling and nutrition concepts are conveyed throughout.

COOKING/BAKING/NUTRITION

Confetti Baking with Nadine!

Classes taught by Nadine Holohan M.Ed- Culinary based Nutrition teacher and owner and operator of Hope & Confetti Confections.

Gluten Free Baking

Finding good gluten free baked goods or a trustworthy recipe can be a challenge. Products have gotten better but still need some tweaking. Instructor Nadine has been gluten free for years and has worked on numerous versions of yummy food without gluten, both by substituting grains and making food that is grain free. She wants to just bake. GF for fun with others who are GF!!!! Along with prep, measuring, time management, sanitation, etc. you will create new and exciting baked dishes both sweet and savory. ***The kitchen is not a Gluten Free facility, Other classes using gluten flours are used throughout the whole year.

Sweet and Savory Baking (Birthday Theme)

The theme is Birthday Week. Students will be creating favorite birthday foods. Students will vote on some of the recipes we make. The week will conclude with a large birthday party for students and families.

Students will learn and practice baking, roasting and oven techniques. Along with prep, measuring, time management, sanitation, etc. you will create new and exciting baked dishes both sweet and savory. From muffins, pizza to baked Mac & cheese, this clinic is perfect for the budding baker. Nut free recipes- ***The kitchen is not a Gluten Free facility, Other classes using gluten flours are used throughout the whole year.

Pastry Arts

The theme this week is all about creating a bakery! Students will create foods found in popular bakeries. Students will vote on some of the recipes we make. The week will conclude with the students inviting their families to their running bakery. The week will conclude with a tasting party for families.

Come whip up sweet based concoctions from crème puffs to cake pops. This clinic will delight the pastry artist in training. Along with prep, measuring, time management, sanitation, etc. you will make a variety of doughs. ***The kitchen is not a Gluten Free facility, Other classes using gluten flours are used throughout the whole year.

SUMMER TENNIS PROGRAM

Tennis Lessons for Beginners and Intermediate Learners

ALL TENNIS WEEKS

- Session 1 - Jun 23-27
- Session 2 - June 30- July 3
- Session 3- July 7-11
- Session 4 - July 14-18
- Session 5 - July 21-25
- Session 6 - July 28-Aug 1
- Session 7 - Aug 4-8
- Session 8 - Aug 11-15
- Session 9 - Aug 18-22
- Session 10 - Aug 25-29

Club Tennis is geared towards getting kids excited about the sport, concentration on tennis fundamentals, and FUN activities. Players will begin each day with a focus on tennis fundamentals, including grips, swing path, footwork, and rules of the game. Using USTA Net Generation curriculum, low-compression tennis balls, smaller racquets, and modified court dimensions, Club Tennis will teach younger players how to rally, engage in proper courtesy and sportsmanship, and compete. Players may be differentiated based on ability.

Club Tennis Gr 1-8 Mon-Fri · 9am-12pm · \$240/264

- 20% Sibling Discount (same week)
- Private Lessons available through the Club

Family Tennis

Designed for adults and youth to learn together, these 4 sessions will give you the basics (or a refresher) on tennis fundamentals, including grips, swing path, footwork, and rules of the game.

Instructor: NBPT Tennis Club Staff,
Location: NBPT Tennis Club

Wed night - 5-6:30pm
Session 1 July 9-July 30
Session 2 Aug 6- Aug 27
\$90/\$100 each for 1st two Family Members
*Additional family member \$50

Newburyport Tennis Club (NTC) has been an ongoing tennis club in the community for more than 40 years! In 2018, NTC underwent a change of ownership and we are excited to bring new life to the club and to the sport of tennis! Newburyport Tennis Club encourages both the fun and the competitive nature of tennis. We are extremely pleased to partner with Newburyport Recreation & Youth Services to offer the city's summer tennis program in a safe and comfortable indoor tennis center.

Clipper All Sports

The All Sports Clinic will introduce activities to youth who enjoy a variety of sports and recreational games. Youth are taught skills and given the opportunity to compete in a variety of sports such as soccer, basketball, flag football and more, while also enjoying some recreational games such as dodgeball, capture the flag, matball, and more, plus use of the playground during break time. The day will begin with active dynamic stretching and plyometrics to focus on balance and coordination. Coach Valli will make sure our days are high paced and non-stop fun for every child! An emphasis of sportsmanship, playing with character and having fun!

High Perception Hoops

St. John's Prep Basketball Coach, Dave Clay, along with High Perception Hoops Founder and Brooks Girls Basketball Coach, Ben Chase, are thrilled to announce that we will be running the Boys and Girls Basketball Clinics this summer. As former teammates at NHS, Coach Clay and Coach Chase relied on the outdoor courts throughout Newburyport to sharpen their skills. They are now looking to raise money through basketball clinics to help improve the outdoor basketball courts for current and future basketball players in our community.

The basketball clinic will focus on players developing the fundamentals of the game through skill work, small sided games and 5v5 play. Along with learning the skills necessary to play basketball, all coaches will educate campers on the importance of being great teammates, communicating on/off the court with peers, competing at a high level and sportsmanship. It will be a fun learning environment that will challenge your child's skills to help them raise the level of their game to become a complete basketball player. Players will leave camp with an understanding of how to put themselves through a workout along with an array of drills that they can incorporate into their own workouts. This will afford them the opportunity to be in control of their own basketball development.

InclYOUision MultiSports

Join us for a fun 8-week sports program for children of all abilities to learn the fundamentals of Soccer and Baseball! Classes are non-competitive and are perfect for beginners or for children who are looking for small class sizes taught by well-trained coaches. InclYOUision Sports provides all equipment, and children only need to bring water and wear comfortable clothes and shoes. This program is designed for children with and without disabilities to learn and play together. Skill building is modified to each child's experience level.

InclYOUision Sports provides inclusive sports enrichment programs to children, using innovative behavioral methods to teach sports, fitness and social skills. Programs are designed by physical education, behavioral, and inclusion experts to introduce all children to a variety of sports through a series of lessons focused on skill building. InclYOUision Sports is on a mission to make high quality sports enrichment programs accessible to all children.

Ultimate Frisbee

Let's play Ultimate Frisbee this Spring! Ultimate Frisbee is an exciting, fun, non-contact team sport that mixes elements of soccer, basketball, and American football into one high energy game. Top level Ultimate players require an unmatched degree of speed, stamina, and agility, yet the simplicity of the rules means it is easy and fun for newcomers to pick up. The sport embraces the philosophy of "Spirit of the Game" which means the sport is self-refereed, emphasizing mutual respect between players.

The Spring session of Ultimate is open to all levels of players introducing both the fundamentals as well as opportunities to compete in games. Most sessions will be in Newburyport but some Sundays will be played in other communities. We will provide transportation to the games outside of Newburyport. Each Participant will receive a free Disc and Jersey

CHILDREN'S SPORTS & FITNESS

Wrestling

Come learn how to wrestle, in a week! River Rival Wrestling presents a 1-week introduction to wrestling for boys and girls in grades 4-8. In addition to teaching rules, scoring and providing an overview of the sport, attendees will learn basic positions and techniques, and engage in live wrestling! We will also play some games (mostly wrestling-related) and provide an overall safe and fun environment. By the end of the week, they should know if they like the idea of wrestling with a club next winter. If they do, they will be several steps ahead of other first year wrestlers! This camp starts at 9 AM and concludes at noon each day. Campers will have a break in the mid-morning each day and are welcome to bring peanut-free snacks. The camp is led by River Rival Wrestling coaches, and camp counselors are local high school wrestlers.

Parkour

Movement classes that are designed to jump start your child's day with a healthy dose of movement, exploration, and fun! Skills sessions are a great way to learn the basics, build on techniques, or master certain movements in a small-group instruction context. This class is for youth of all ability and fitness levels, and will include instruction in the basic movements and techniques of parkour, as well as exercises designed to improve general fitness and ensure the long-term practice of parkour. Classes will focus on exploring and moving within one's environment and will include a number of games, exercises, and drills to improve balance, coordination, strength, spatial awareness, and flexibility, while having fun. All classes are taught by ADAPT certified coaches.

Teen Rec

Book Club

Stay connected with your book-loving peers this summer with a Book Club, hosted jointly with the Newburyport Public Library! We'll meet every other week to discuss one of the 4 books we will be reading. Materials and snacks will be provided.

Cosmoknights by Hannah Templer

A graphic novel about a young mechanic who longs to explore the galaxy joins forces with a pair of knights who undermine their patriarchal society by setting princesses free.

So This is Ever After by F. T. Lukens

Arek has managed to fulfill the prophecy and save the Kingdom of Ere from its evil ruler, but the quest is not over because until they free the princess locked in one of the towers he has to assume the crown himself; only the princess proves to be very dead, and Arek is stuck as king; then he discovers that magic requires him to find a bride before his eighteenth birthday or wither away--but none of his female companions are interested, he does not want to marry a stranger, and anyway the only person he is attracted to is Matt, aspiring wizard, best friend, and secret crush.

Monday's Not Coming by Tiffany D. Jackson

Monday Charles is missing, and Claudia seems to be the one person who notices. They've always been inseparable, and when Monday doesn't show up for school for two weeks, Claudia knows that something is wrong. Monday's mother refuses to give Claudia a straight answer, and her sister April is even less help. How can a teenage girl just vanish without anyone noticing that she's gone?

Gallant by Victoria Schwab

Olivia Prior has grown up at the grim Merilance School for Girls with no no past except for her one treasure, her mother's journal, so when a letter arrives inviting her to come home to ruinous manor, Gallant, she seizes the chance to find out about her family.

Activity	Ages	Grades	Day	Date	Time	Instructor/Coach	Location	Fees

Mushroom Foraging

Take a discovery walk in the woods, and forage for fungi. We will focus on the life cycle, anatomy of mushrooms, how they reproduce, and whatever mushrooms we can find on our journey. We'll also discuss basic safety tips when foraging. We do not collect anything for consumption; observation and studying the mushrooms is our goal!

Activity	Ages	Grades	Day	Date	Time	Instructor/Coach	Location	Fees
Mushroom Foraging	N/A	7 - 11	Th	08/14/2025	10:30 AM - 12:00 PM	Jana Harris	Maudslay State Park	\$35.00 Res, \$45.00 Non-Res

Craft Trendz

We're exploring some of the most recent popular tik-tok craft trends. Try your hand and maybe find your new hobby!

Activity	Ages	Grades	Day	Date	Time	Instructor/Coach	Location	Fees

Dungeons & Dragons

Whether you've spent hours rolling dice and adventuring or are not even sure what D&D is, this program is perfect for you! D&D Campaigns are a collaborative improvisational role-playing game where players create characters, adventure, roll dice and work together to have as much fun as humanly possible. Join us each week for fantasy adventures in the world's greatest role-playing game.

d&d

Activity	Ages	Grades	Day	Date	Time	Instructor/Coach	Location	Fees
Summer Session	N/A	7 - 12	MTuWTh	08/11/2025 - 08/14/2025	01:30 PM - 03:30 PM	NBPT Rec Staff	City Hall Auditorium	\$65.00 Res, \$75.00 Non-Res

LARPing

An immersive, week-long experience where teens step into fantasy worlds, embody unique characters, and engage in live-action role-playing adventures. Through interactive storytelling, epic quests, and team challenges, campers develop creativity, problem-solving skills in a thrilling, hands-on environment.

Activity	Ages	Grades	Day	Date	Time	Instructor/Coach	Location	Fees

MORE INFO ONLINE

Teen Trips - Day Trips

Canobie Lake You and Your friends can spend the evening at Canobie Lake Park. Pack your food or bring some spending money.

Water Country Geranimooo! You and your friends can head to Water Country in Portsmouth, NH. Pack some food, or bring money to spend.

Paintball Spend the afternoon running wild outside OSG of New Hampshire's outdoor paintball courses. With 11 fields and 43 acres, OSG is New England's largest paintball field. Gloves, long sleeves, and thick clothing like jeans are recommended. All other paintball equipment is provided for a low impact game.

Lunch On A Mountaintop Pack your lunch and lace up your hiking boots! We're headed up to NH to hike Mt. Major. We'll take our time on this 4 mile hike, relax at the top and stop for ice cream on the way home.

Zipline Hop in the NYS van as we head up to Gunstock Mountain to fly down one of the longest zipline tours in the US. On the way home we'll stop for ice cream!

Boda Borg Boda Borg is described as interactive gaming. Working as a group we will literally maneuver through different rooms of quests that challenge our mental and physical strength. After we successfully quest our way through, we will replenish our bodies with some great food, so bring some \$\$.

Take Flight Ropes Course We're headed to York, Maine for a challenge of high ropes course. Climb and swing up to 30 feet in the air through levels of difficulty.

Saco Tubing Join us for one of the most relaxing days of the summer as we tube down the Saco River. Pack a lunch and float along. We'll stop to swim and enjoy the scenery of Bartlett, NH.

Six Flags We're headed out to Six Flags New England for the day for the thrills of the most extreme rollercoasters like Bizarro, Buzzsaw and, Goliath. Lunch is provided. *Note many minimum height requirements to ride the rollercoasters is 54".

Board and Brush We'll head to Board and Brush Creative Studio in Amesbury, MA. Each participant will pick out their own wooden board sign to create and paint and go home with a product!

Cookie Decorating Learn the tricks of the cookie decorating trade with Renee Terry, the owner of Amesbury's Sweet Cheeks! Each person will get 6 cookies to decorate with royal icing -- and of course, ultimately, eat. Don't miss the sweetest event of the summer.

Blueberry Picking Come with us to Cider Hill farm, where we will feast on donuts and pick blueberries. Next, we'll bake our fresh-picked produce into a delicious crisp. Don't miss it!

Todd Farm Flea Market Explore the sights, sounds, and hidden treasures of the Todd Farm Flea Market! Pick up anything from a whole new outfit to an antique piece of home decor.

Portsmouth Excursion We're headed North to explore the City of Portsmouth. We'll do some shopping downtown as well as stop at Prescott Park for some views. Pack some money for shopping and lunch.

Patriot Hall of Fame We're headed to Gillette to visit the Patriots Hall of Fame. After getting a tour of the Museum we're going to Splitsville for lunch and play around on their sports simulator.

Archery Tag and Nerf We're headed to Archery Games in Chelsea, MA. Archery Games offers combat archery which is played similar to dodgeball - but with bows and soft foam-tipped arrows.

Teen Trips - Multi Day

Surf Week Surfs up brah! We're headed to Summer Sessions at Rye Beach! This five-day surf camp is perfect for any beginner who is looking to jump into the sport or for the intermediate looking to hone their skills. The classes are taught by professional instructors working hands on with participants in the water.

Skatepark Tour Meet at the Newburyport skatepark in the AM, and hop in the van to head to some other local skate parks. We'll head to the brand-new Portsmouth park, Dover, Hampton, or Salisbury. Pack a lunch and bring your board, scooter and helmet.

Horse Care and Nature Windrush Farm is offering an interactive educational program to learn about horses and enjoy the outdoors! This is a unique opportunity to visit a working horse farm and explore the natural world around the property (fields, woods, ponds, etc). You will have a chance to greet & meet horses, learn about their behaviors/communication and how to care for them. There will be fun outdoors activities including scavenger hunts, exploring the trails, nature-related games and more.

Summer of Service Join us for a week of meaningful impact!! Teens will have the opportunity to engage in hands-on community service projects across diverse locations, fostering teamwork and empathy while earning valuable volunteer hours. This experience is designed to empower teens, creating a lasting sense of responsibility and a deep connection to their communities.

Culture and Curiosity Come along on an adventure through history, art, and science at fascinating museums in the surrounding area. With hands-on exhibits and immersive experiences, we'll uncover hidden stories, explore amazing artifacts, and deepen our passion for culture and innovation.

Sailing We're headed to Greater Lawrence Boating Club. We'll spend the morning participating in sailing lessons. After lunch participants will have the opportunity to continue practicing sailing, kayak, paddle boards or hang out at the club on the docks. Cost of the program covers a full summer membership at the Boating Club that can be used 7 days a week.

Mini Golf Tour NEW: The Mini Golf Tour is headed to a three courses. In this friendly competition we'll explore different themed Mini Golf locations. Through the week the MGT wouldn't be complete without at least one ice cream stop.
